

Build Your International Market!

Join us at... **GLOBE 2006**

Vancouver, British Columbia, Canada, March 29 - 31

GLOBE 2006 offers U.S. environmental firms a comprehensive introduction to Canada, as well as exposure to a multitude of other international markets, especially in Asia. The U.S. Commercial Service (USCS), Canada, invites *innovative* U.S. environmental firms to join with us and discover the many benefits of participating in GLOBE - *Certified* by the U.S. Department of Commerce, recognizing its effectiveness as an international tradeshow for U.S. companies.

GLOBE 2006 BEST PROSPECT INDUSTRIES

Water and wastewater treatment, pollution prevention, environmental engineering, renewable energy systems, 'green' building products,
PLUS... products/services for the 2010 Winter Olympics in Vancouver!

USCS Canada is offering the following options for U.S. companies at GLOBE:

Option A: Booth In the U.S. Pavilion

Our high profile, U.S. pavilion at GLOBE 2006 will be sure to attract the attention of show visitors. The pavilion will be staffed by our Canada-based trade specialists, ready to assist our exhibitors throughout the event. Fee of US\$3000 includes a 'hard wall', furnished booth; access to our Pavilion meeting space; presentation to our Asian business contacts in Vancouver, & networking reception with key figures in the local business community.

Option B: Customized 'ON-SITE' Promotional Program

Promote your company to potential partners, representatives and end-users with a program that has been used successfully across Canada by numerous U.S. companies - one of our most successful, client-focused services. Use our USCS booth as your 'home base' while at GLOBE, along with our ON-SITE services.

'ON SITE' fee of US\$895 includes:

*** Registration Deadline for ON-SITE: Feb 15, '06**

- ✓ Qualified contact list for the British Columbia market and GLOBE '06
- ✓ Invitations to our exclusive, networking reception
- ✓ Company introductions to our Vancouver-based, Asian agent/distributor network
- ✓ Your company literature showcased in our booth at the U.S. Pavilion
- ✓ 1:1 trade counseling with USCS trade specialists, ...plus, our support throughout the event
- ✓ Complimentary trade show passes

More than 80 CONFERENCE SESSIONS at GLOBE 06 will feature four primary themes:

Corporate Sustainability, Energy & Climate Change, Building Better Cities, and Financing and Environmental Market Opportunities
